

MEMORANDUM

TO: Members of the House of Representatives

FROM: Representative Mike Hanna

DATE: October 7, 2008

RE: Proposed Resolution- Designating January 11-17, 2009 as
"Snowmobile Safety Week"

In the near future, I plan to introduce a resolution designating January 11 – 17, 2009 as "Snowmobile Safety Week" in Pennsylvania.

The family sport of snowmobiling is enjoyed by more than 40 thousand people in the Commonwealth as well as contributing to approximately \$160,000,000 to the state's economy. This contribution represents the Commonwealth's great winter tourism industry. I find that it is necessary that we promote responsible riding practices such as avoiding alcohol and operating at safe speeds, making the activity a safe and enjoyable one during the season.

If you would like to join me in sponsoring this important legislation, please contact Gayle Jones via e-mail at gjones@pahouse.net or via phone at 2-2283.
